

A word cloud centered around the word "data". The word "data" is the largest and most prominent, rendered in a bold, yellow-orange font. Surrounding it are various other words in different sizes and colors (orange, green, and yellow-orange). The words are arranged in a roughly circular pattern, with some overlapping. The words include: "values", "learn", "get", "first", "attributes", "help", "types", "mining", "what", "this", "attribute", "look", "section", and "preprocessing".
